Item	Tax Group	Auto-Grat?	Notes	Item	Tax Group	Auto-Grat?	Notes
Chef's Menu (open \$ item) x qty of people	Sales	Yes	This will always be same or higher than listed on BEO. If not everyone shows up, we still ring in whatever is on the BEO. If there is a special item that isn't normally sold on the menu, you'll use this button for that as well (since it's an open dollar button)	Event Food (Open \$ Item)	Sales		This will always be what is listed on the BEO, or higher (if stuff gets added during the event)
<any lbw="" pre-purchased=""></any>	LBW	Yes	This could be carafes of Mimosas, welcome shots, or whatever	Event NA Bev (Open \$ Item)	Sales		This is whatever was consumed, or what is listed on the BEO.
Labor/Misc	Sales	No	This could be AV rental, labor fee for dedicated server, room rental, or etc	Event Liquor (Open \$ Item)	LBW		This is whatever was consumed, or what is listed on the BEO.
Added items from Menu:			This is stuff they order that is outside of their BEO (drinks for people, additional food, etc)	Event Beer (Open \$ Item)	LBW		This is whatever was consumed, or what is listed on the BEO.
Food	Sales	Yes		Event Wine (Open \$ Item)	LBW		This is whatever was consumed, or what is listed on the BEO.
